
Events

Unikid organizes events on a regular basis, such as free guided tours of the Diocesan Museum on a Saturday in Advent. In addition, we would like to draw your attention to the events of the KinderUni Graz (Children's University) for elementary school pupils and JuniorUni Graz, the university for 10 to 18 year old pupils.

parent2parent

You would like to set up a network of university parents and take turns caring for the children? If you are looking for qualified babysitters, would like to get to know parents for paid or mutual childcare, or you yourself would like to get involved as a babysitter or parent offering childcare - you have the opportunity to register on the virtual parent2parent platform.

www.uni-graz.at/unikid/parent2parent2.html

Babysitter Pool

Are you looking for flexible continuous childcare or by the hour? Uniki-d puts you in touch with babysitters. Please inform us as early as possible about when you need childcare services. We mainly put you in contact with students, who already have experience with or have training in childcare (kindergarten teachers, day mothers, babysitter course etc.). One hour costs a maximum of 7,30 Euros. Uniki-d takes care of setting up the childcare, and parents negotiate the price with the babysitter and pay him/her directly.

Course Program for Children

Uniki-d organizes a reasonably priced course program for university members and their children. The courses also offer an informal setting for getting to know other parents. In summer semester 2009 the following courses are offered:

- o Mother-father-child physical education for parents and their children, with Heidrun and Paula: Apparatus gymnastics, floor exercises, and dancing
- o Judo lessons for beginners and intermediates, with Heidrun: Holds and throws
- o Swimming course, with Birgit: 2 beginner groups and 2 intermediate groups
