OBJECTIVES, COURSE CONTENTS, METHODS

Objectives

- Acquisition of language skills in various areas of life
- All skills (speaking, reading, writing, listening) will be integrated
- Preparation for living and studying in Graz
- Emphasis on oral competence

Course Contents

- Skills that are essential for studying in a foreign language
- Repetition and practice of important vocabulary
- Repetition and practice of important grammatical structures
- Communication for everyday life
- Information about Austria, Austrian culture & way of living
- Discussions, simulation activities, role plays, pair and group work

Methods

The lessons are based on modern principles of language teaching such as: Communicative, learner-orientated and intercultural methods. Students are invited to participate actively to practice communicative skills right from the beginning. *treffpunkt sprachen* offers communicative language courses based on the levels of the Common European Framework of Reference for Languages (A1-C2).
